

Sample social media posts

Think of posts that will engage the audience and encourage them to participate in the conversation. Enthusiasm, open-ended questions and asking for opinions are good ways to initiate dialogue.

Use the following pre-selected hashtags:
#FAFSAFrenzy and #IApplied

Facebook — Post at least three times a week leading up to your activities and events. Use Facebook to get students excited about FAFSA Frenzy and as a reminder of items they may need to bring with them in order to complete the FAFSA.

Twitter — With a limit of only 280 characters per post, relaying information via Twitter has to be short and to the point. Twitter moves much faster than Facebook, so more tweets may be necessary in order for them to be seen.
